Sir,

Sub: - **Retrenchment of Contract Workers - req.**

Please recall our discussion which had with you in the last occasion on the above mentioned subject.

Sir, it has reported from our Circle Secretaries that Contract Workers are being retrenched during that last few months on the plea of fund curtailment by the Corporate Office. It is also reported by the circle administration that this is being done on the basis of certain instructions from the Corporate Office.

We are well aware that BSNL is in a tight financial position and all efforts are being made to reduce Wasteful expenditure. Our union also supports the same spirit and we also want a strong and financially liable BSNL.

The case of Contract Workers is entirely different. They are working in DoT / BSNL for many years for providing and maintaining of basic telecom services and have contributed yeomen service to the growth of BSNL. Any reduction in the number of Contract Workers will seriously and adversely affect the telecom services.

Further, the entire life of these workers have been spent for BSNL/ DoT and any retrenchment will result in destroying their security in life and their families. They have nowhere to go for work at this advance age. Such retrenchment is also against good labour practices. In such a situation, we earnestly request you to kindly withdraw the above instructions and ensure that the contract labours are not retrenched. As a responsible trade union, we will be compelled to restart to the agitations programme against retrenchment, if the same is not stopped which will adversely affect the services, and which we want to avoid.

Thanking you

Yours faithfully
